

4.3.2 Student Computer Ratio:

College of Home Science, Nirmala Niketan provides adequate and updated IT facilities to the students. Bonafide students of the college have access to computers placed in the computer Laboratory, library and classrooms.

Computers	Number
Desktop	Computer Lab (34) + library (8) + NSS room (1)
Classroom LCD + computer	13
Laptops	3
Total	59

As per the requirement of the courses, classes are regularly held in the computer lab such as AutoCad, CAD, computational skills and computer applications in research methods, computer applications value added for FY and SY students.

The student's computer ratio is 677 students: 59 computers: = 11.47

Additionally the students can also avail of printing (both color and black and white) and scanning facilities.
