

Report of Registered Dietitian Training

A Collaborative Training for aspiring Registered Dietitians titled, “Studying for and Solving the RD paper” was jointly organized by Indian Dietetic Association, College of Home Science, Nirmala Niketan and Prince Aly Khan Hospital.

This was held on the 20th of January 2018, from 1 – 5 pm at the Prince Aly Khan Hospital. This event was sponsored by Nutrus India.

The programme schedule was as follows:

Focus on paper 1: The focus will be to identify important topics and studying and paper solving strategies.

- Biochemistry: Dr. Nisha Bellare (Faculty, SVT College of Home Science) and Ms. Mariam Baker (Consultant Nutritionist)
- Microbiology: Ms. Sukhada Bhatte (Consultant Nutritionist)
- Physiology: Dr. Lakshmi Menon (Visiting Faculty, College of Home Science, Nirmala Niketan)

Focus on paper 2: Case studies: Ms. Vibha Hasija (Faculty, College of Home Science, Nirmala Niketan). The presentations were forwarded to the RD trainers. It was highly appreciated by the 50 interns who attended across different colleges.

The following students of College of Home Science Nirmala Niketan who completed their M.Sc. in Foods, Nutrition and Dietetics in 2017-2018 had attended this training:

1. Krisha Vira
2. Divya Anantanarayan
3. Vidhi Shah
4. Shweta Kambli
