

## Action Taken Report 2017-18

- **To further strengthen our alumni.**

Alumni contributed as speakers, sponsors and helped in giving internships, placements and projects to our B.Sc. and M.Sc. students

- **To work on building the corpus fund.**

We are continually building our corpus fund through the finance generated via the host of seminars and workshops conducted and the trips organized for the students and exploring other sources.

- **To enhance our partnerships and collaborations with other Institutes- Industry, Research Institutes, NGO's, GO's for academic and research purposes.**

We have 176 linkages this year and various collaborations with academic and research institutes, food and textile and apparel related industries, hotels, hospitals, schools, GOs, NGOs and professional bodies. An MOU of the FND Department with Jaihind College was renewed for three years

- **To analyse the feedback obtained from the students regarding the updated syllabi at different levels**

The syllabus revision approved in the last academic year has been implemented for TYBSc and MSc 2 from this academic year. This year feedback about the curriculum has been collected from graduating students, parents, alumnae and employers by use of digital Google forms

- **Department of Foods, Nutrition and Dietetics is planning to organise 1. Half day Seminar during National Nutrition Week. 2. Short term courses e.g.: HACCP for students 3. Capacity Building Workshop for different target groups on Breastfeeding and Complementary feeding. 4. Half day Seminar to commemorate “Word Breastfeeding Week” in 2017-18.**
