APPLICATION PROCEDURE

Please note that there are three steps in the admission process:

- 1) Submitting the online **College Application Form** & online payment of fees for application on the **OnFees.com portal**:
 - a) Complete the Application Form
 - b) Use the “Course Selection” option and select MSC-I Branch IB: Food Processing and Preservation
 - c) If you are applying for multiple branches, please select each of these branches in the “Course Selection” option.
 - d) Next, go to “Payment Summary”. The application form fee for each branch is Rs. 300 plus a service charge. Please make the payment using one of the following options: Net Banking, UPI, Debit Card, or Credit Card.
 - e) You will now be able to access the Payment History.
 - f) Lastly, please download the form.

- 2) Completing the **University Pre-Enrolment Form** on the **University Portal** (A **separate pre enrollment form has to be filled for EACH of the MSc programmes – IA/IB/IC/PG Diploma Programme that you are applying for**). The University Pre-Enrolment process has not yet been activated by the University of Mumbai. Please keep checking the college website for updates regarding the University Pre-Enrolment process. Once it is activated, please be sure to complete the Pre-Enrolment Form separately for each of the five branches to which you have applied (IA, IB, IC, II, & III) and to download each of these Forms. The University Pre-Enrolment Form is required to be submitted to the college during the final stages of the admission process.
- 3) Uploading the University Pre-Enrolment Form and Payment of Entrance Examination Fees (Rs. 500 plus a service charge) on the **OnFees.com portal** (separate upload and payment for each **MSc programme – IA/IB/IC/PG Diploma Programme** you have applied for) & finally an **Entrance Examination** specific to the Department to which you are applying.

The Admission will be based on the **qualifying entrance examination** conducted for eligible candidates. The entrance examination will cover subject-related content viz. Biochemistry, Microbiology, Food Science, Physiology, Clinical Nutrition, Foods & Dietetics, Human Nutrition, Community Nutrition, Food Service Management and some basic general skills like Language skills, Mental Ability and General Knowledge.

Important: Dear potential applicants, like last year, the 2022-2023 academic year is an unusual year for all of us. Therefore, please note that you are eligible to apply for the MSc programme even if your final semester examinations have not been held and/or even if your final semester results have not been declared. In case you have any questions, please do email the HOD at vibhahasija@nnychsc.edu.in , and copied to admission@nnychsc.edu.in

<p>You are advised to complete and submit your application form <u>at the earliest</u>.</p> <p>Last date for acceptance of forms will be notified later, in compliance with the guidelines of the University of Mumbai.</p>	<p>Complete the Application Form, Select Branch(es), and pay the application fee at the following link:- Admission Form</p>
