The students of the T.Y.BSc and MSc II from the department of human development had attended the EPC (Employment Placement Cell) program conducted by Dr. Kamini Rege on the 18th and 19th of March 2016 from 8.30 to 2.00pm. There were six organizations/institutes that patronized our college namely, Muktangan, New Horizon Health and Research Foundation, Integrated Learning Enrichment Achievement Program (ILEAP), Avalon heights international schools, KNACK Ability Centre and Learning Khazana. These organizations oriented us on their programs and career/job prospects. They gave us a brief knowledge of what they want from us as a member of their organization. Every organization spoke about the holistic development of the child.

The Department of Textiles and Fashion Technology planned “Positioning Occupations 2016” was planned for the 21st April, 2016 wherein invitations were sent to leading industries and potential employers in the field of Textile and Fashion Technology.

The students from the Department of Community Resource Management as going in for further studies as well as a few of them have been recruited through their internship programs.

The ‘*Career Fair 2016*’ process was very smoothly executed as planned and the feedback was obtained in writing from most of the companies/corporate/schools. Several students have been selected by the companies for various posts as well as for the training programme before they are officially appointed on any specific post as per their recruitment training skills.
